1993 JCI HONG KONG CONGRESS

1993 issue No. 1

PATRON: HIS EXCELLENCY THE GOVERNOR

THE RIGHT HONOURABLE CHRISTOPHER PATTEN

## FROM THE DESK OF THE CONGRESS DIRECTOR

It gives me great joy to announce that, His Excellency The Governor, The Right Honourable Christopher Patten, has kindly consented to be the Patron of our Congress. This nice job was achieved after much hard work done by our devoted senior members. In fact, each JC member who has contributed to establish the good image of Hong Kong Junior Chamber of Commerce also shares this honour.

Time flies, 16 months have elapsed since we won the hosting right. I am grateful that over 30 Past National Presidents, Senators and many experienced JCs are involved as Steering Committee, Advisors and Congress Committee Members. In the

past, 14 COC meetings was held (not to mention the numerous sub. committee meetings), 10 overseas trips were made to promote the Congress in Areas A, B, C and D, distributing our information pamphlets and Congress souvenirs. Over HK\$2,000,000.00 were spent on bidding, JCI bonds, promotion, administration, overseas trips, subsidies to JC members, deposits, and so on.

To plan for and organise such a large scale international project, it is no doubt that a lot of difficulties will be met. At the very beginning, we had to solve problems on manpower allocation, cash flow, sponsorship, liaison with various authorities, venue booking, hotel reservation, etc., etc. We had tried very hard also to negotiate with JCI to fight for the benefit of the HKJCC. The communications and co-ordination between so many JC members from various chapters and levels in fact need great efforts and patience to cultivate a smooth and efficient operation amongst..... The problems are being solved one by one, I am confident that it is only the true JC

spirit at the back of each of us that supports our firm belief to strive for a most rewarding Congress!

I take this opportunity to thank those LOM and NOM officers for your understanding and co-operation. Up to this date, over 200 early registrations from HKJCC have been received.

Dear Fellow JCs, your continuous contribution is most important to lead to the success of the 1993 JCI Hong Kong Congress. It is not only benefitting the JC organisation, but also our home town, Hong Kong!

## MESSAGE FROM THE NATIONAL PRESIDENT

HONG KONG JUNIOR CHAMBER OF COMMERCE

The 1993 World Congress is expected to be the blockbuster of the year when it takes place in Hong Kong between 21 and 27 November. To prepare ourselves for this upcoming event, news about the upcoming Congress are updated in NOM and LOMs publications to keep everyone informed about the progress and the programme of events. Incentive programmes are introduced to encourage

donations and participation in overseas conferences and conventions so that local members could appreciate the essence of a world congress. The Congress Organizing Committee, in particular, works diligently and quietly behind the scene to plan for a successful Congress. Under the leadership of the Congress Director Ng Leung Yau and the Congress Steering Committee headed by Past World President A. de O. Sales, the efforts pay off when support from the Hong Kong Jaycee Senate Group and Prominent leaders in our community including senior government officials are secured.

A world congress is the most important event to which all Jaycee are looking forward to as a year approaches its end. It is not just a time to make reports, evaluate past performance, renew friendship but also to set new goals for the years to come through exchange of views among people from different parts of the world. Bearing this in mind, we have proposed to the JCI that "Mutual Understanding - Key to Global Unity" be adopted as the theme of the Hong Kong Congress. We believe that the Congress

provides a perfect forum whereby delegates representing different nationalities, races and religions could resolve their differences with an open mind and perhaps settle on a common ground in the pursuit of global unity. Hong Kong, being a cosmopolitan city, is an ideal place for staging a forum of this kind. It would be regrettable if anyone gives up the chance of participating in the Hong Kong Congress in November this year.

By this time of the year, the deadline for early registration has passed. While latecomers may not be able to enjoy the Congress package at a discount fee, the Congress Organizing Committee guarantees an unforgettable experience for all. I would suggest my overseas counterparts to file registrations now as it is always easier for the host to plan the menu knowing who are coming to dinner! I am sure the Congress Organising Committee would be happy to render you all the assistance you need regarding registration matters. I look forward to seeing you soon!
